Built-In Protocol & Visibility

**300+ GRAND LODGES. 40,000+ LODGES. ONE CRAFT.**

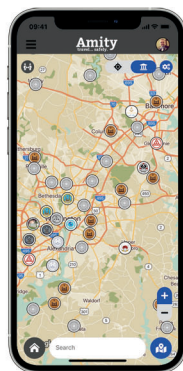

**Masons Use Social Media to Find Lodges and Meetings.**

*what if there was a better way?*

Masonic protocol allows a sojourning Mason to contact local Lodges directly, *after arriving in their jurisdiction*. Where are your members going... and who is visiting you? Only one platform allows Grand Lodges to oversee Masons' travels in real time.

Recognized Lodges? Live status checks? Attendance rosters?

It's all here. **Welcome to Amity.**
