

DISCRETION FOR THE MODERN MASON

You already know Amity as the *only* global directory of Masonic Bodies. Now, we're revolutionizing *how you visit them*.

THE SIGNET: *the Next Generation of Masonic Identification.*

Discreet and Secure

From “digital disappearing ink” to scan notifications and a real-time “kill switch,” the Signet has *as much discretion as the Brother carrying it*.

Real-Time Status

Sure, you've got a dues card in your pocket... but how old is it? The Signet checks your status *in real time* to confirm that you're still in Good Standing... *now*.

Backed by Amity

No other tool is used by Masons in over **13,000 Lodges** around the world. Whether you're planning a trip or testing a visitor, Amity helps you travel... safely.
